Editorial Message

Dr. Ranju Prajapati

Republic Day, celebrated on **26 January**, is a proud moment for every Indian as it marks the adoption of the **Indian Constitution** in 1950. This historic day reminds us of the vision of our Constitution makers and the values of **justice, liberty, equality, and fraternity** that form the foundation of our democracy.

Our college observed Republic Day with great enthusiasm and respect for national values. The celebration inspired students to understand the significance of the Constitution and their responsibilities as responsible citizens. Such occasions strengthen the spirit of unity, discipline, and patriotism within the academic community.

As a teacher education institution, it is our duty to inculcate constitutional values among future educators so that they may contribute to building an informed, ethical, and democratic society. Let us reaffirm our commitment to uphold the ideals of the Constitution and work together for the progress of our nation.

EDUCATIONAL NEWS

INTERNATIONAL :

1. Stability Returns to Australian International Education Sector

The international education sector in **Australia** is showing signs of renewed stability after periods of uncertainty in student enrolments — especially among postgraduate and South Asian applicants. Analysts believe demand will strengthen despite past fluctuations, indicating a positive outlook for one of the world's largest study-abroad destinations.

2. Ireland Launches Scholarships for International Students (2026)

The **Irish government** has announced a new **International Education Scholarship Program** starting **January 29, 2026**. A total of **60 scholarships** will be awarded to international students pursuing **full-time postgraduate studies**, each including a **€10,000 stipend and tuition waiver**. This initiative aims to attract global talent and strengthen Ireland's role in international higher education.

NATIONAL:

1. UGC Introduces New Equity Regulations for Higher Education (2026)

The **University Grants Commission (UGC)** has released the “**Promotion of Equity in Higher Education Institutions**” **Regulations, 2026** to promote fairness and equal access in colleges and universities across India. These regulations replace the previous 2012 anti-discrimination guidelines and require institutions to establish **Equal Opportunity Centres, equity committees**, and transparent reporting systems to address caste-based discrimination on campuses. The move represents a significant step toward inclusive educational governance, though implementation challenges remain for many institutions.

2. Cabinet Clears Biggest Higher Education Overhaul Bill in Decades

The Indian government took a historic step by clearing the **Viksit Bharat Shiksha Adhikshan Bill**, which is set to overhaul the higher education regulatory framework. Under this bill, the new single regulator will take over functions previously held by UGC, NCTE, and AICTE, aligning with the priorities of the **National Education Policy (NEP) 2020**. This development marks one of the most significant shifts in how higher education is governed in India.

STATE (JHARKHAND):

1) Jharkhand launches 2-day Digital Skills Championship for students

The **Jharkhand Education Project Council (JEPC)** recently organized a **two-day Digital Skills Championship** aimed at promoting computer and ICT skills among government school students from **classes 9 to 12**. A total of **2,112 students** who succeeded in block-level rounds participated in this event, which helps strengthen practical digital competencies, critical thinking, and problem-solving abilities. This is the **first state-level initiative of its kind** in Jharkhand to foster technology-related skills among school learners.

📰 2) Jharkhand Govt Issues Notices to 78 Private Schools Over Fee Hikes

The **Jharkhand School Education Department** has taken action against **78 private schools** in **East Singhbhum (Jamshedpur)** for alleged **unapproved fee hikes**, collection of re-admission charges, and forcing parents to buy books from specific vendors. Schools not complying with government norms have received official **notices with deadlines to respond**, and failure to follow rules may lead to fines ranging from **₹50,000 to ₹2.5 lakh**. This step reflects the state's commitment to protect parents and students from unfair practices in private education institutions.

NSS Road Safety Awareness Campaign Successfully Organized

On 29 January 2026, the **National Service Scheme (NSS)** unit of the college organized a **Road Safety Awareness Campaign** with the objective of creating awareness about traffic rules and promoting safe road practices among the public.

The programme was conducted under the guidance of the **Principal** and the NSS Programme Officer. NSS volunteers actively participated in the campaign and sensitized pedestrians and vehicle drivers about the importance of wearing helmets and seat belts, obeying traffic signals, avoiding overspeeding, and not using mobile phones while driving.

Through slogans, posters, and direct interaction, the volunteers conveyed the message that **road safety is a shared responsibility** and that strict adherence to traffic rules can help prevent accidents and save lives. The campaign received positive response from the public and helped inculcate a sense of discipline and social responsibility among students.

The programme was successfully completed and proved to be meaningful in spreading awareness about road safety.

**A nation of dreams, a constitution so grand,
26th January — a proud, shining stand.**

This day is not just a date on the calendar,
It is the voice of freedom, a promise for the future.
With every step we take in duty and truth,
We build a brighter India, for every youth.

The Constitution is our guiding light,
A beacon of justice, equality, and right.
Liberty, fraternity, and dignity for all,
These are the values that make our nation tall.

Dear students, you are the future of our land,
With knowledge and discipline in your hands.
Work with sincerity, dedication, and pride,
And let your dreams soar far and wide.

Today let us pledge to uphold the law,
To honor the Constitution, and stand in awe.
Let us serve the nation with courage and grace,
And bring progress and harmony to every place.

घने कोहरे में तन से लपेट चादर किसान चला जा रहा था
मन ही मन सोचता जा रहा था
अभी कितनी दूर जाना है,
अभी कितनी दूर जाना है
ठंड में नंगे फोटो ठिठुरता जा रहा था
एक तरफ फसल की चिंता दूसरी तरफ तन की चिंता
दोनों एक साथ सताती जा रही थी
मन ही मन सोचता जा रहा था
कुछ अनाज के भाव बढ़ेंगे बाजार में बेचकर कुछ कपड़े खरीदेंगे
मगर भाव वहीं पर खड़ा था। ठंड बढ़ती जा रही थी
मन मरता जा रहा था
बात-बात में कहता जा रहा था
कि छोड़ दूंगा मैं किसानों छोड़ दूंगा मैं किसानों
यही बात वक्त जा रहा था
तभी ठोकर लगा गीर पणा नाली में
वही तड़पने लगा, ठंड बढ़ती जा रही थी वह मरता जा रहा था
मुख से राम-राम वक्त जा रहा था
यही हालत है हर किसानों
की लोग देखते हैं ,देखा जा रहा है।

पढ़ाई कभी बेकार नहीं जाती
'ज्ञान का कोई अंत नहीं हर सीमा हुआ पाठ
एक दिन काम आता है।'

जीवन में प्राप्त की गई शिक्षा कभी बेकार नहीं जाती
पढ़ाई चाहे किसी भी रूप में हो वह इंसान के जीवन
को बेहतर बनाने में सहायक होती है। कोई भी ज्ञान
छोटा या बड़ा नहीं होता और वह व्यक्ति के भीतर
विचारशीलता, समझदारी और जीवन की चुनौतियों का
सामना करने की क्षमता पैदा करता है। पढ़ाई का
असर सिर्फ परीक्षा में अच्छे अंक पाने तक सीमित
नहीं होता बल्कि यह जीवन को सही दिशा दिखाने
वाला मार्गदर्शक है।

Artificial Intelligence in Education: Role, Uses, and Benefits for Students

In today's rapidly advancing digital era, **Artificial Intelligence (AI)** is transforming the field of education. AI is not only reshaping traditional teaching methods but also empowering students to become **independent, technology-oriented, and lifelong learners**. The integration of AI in education aims to make learning more **effective, personalized, and engaging**.

Role of Students in AI-Based Education

In an AI-enabled education system, students are no longer passive recipients of knowledge. Instead, they play an **active and participatory role** in the learning process. By using AI-powered tools, students can identify their strengths, weaknesses, and learning pace. This encourages **self-learning, critical thinking, creativity, and problem-solving skills**. AI also helps students adapt to modern technologies and prepares them for future academic and professional challenges.

Uses of AI in Education

AI is widely used in education in various ways, such as:

- Smart learning platforms and virtual classrooms
- Personalized learning content based on individual needs
- Online tests, quizzes, and digital assessments
- Support in assignments, projects, and academic research
- Language learning, translation, and writing assistance
- Career guidance and skill development tools

Through AI, students can better understand complex topics and make learning more **interactive and student-centered**.

Benefits of AI for Students

Artificial Intelligence offers several benefits to students, including:

- Personalized and adaptive learning experiences
- Time-efficient and flexible study options
- Improved academic performance and confidence
- Additional support for slow and average learners
- Enhancement of digital literacy and technical skills

Moreover, AI prepares students for **future careers** by equipping them with essential technological and analytical competencies.

Conclusion

Artificial Intelligence is shaping the future of education. When used **responsibly and ethically**, AI can significantly enhance the quality of learning and teaching. It is not merely a technological tool but a powerful medium for **innovation, creativity, and academic excellence**. The collaborative use of AI by students and educators can lead to a more inclusive and progressive education system.
