"Empowering Future Educators Through Knowledge, Values, and Innovation"

Education is the foundation of a progressive society, and teachers are the architects who shape its future. As we navigate the rapidly changing landscape of the 21st century, the role of teacher education has become more significant than ever. Preparing future educators requires not only academic excellence but also strong ethical values, professional commitment, and the ability to embrace innovation.

At **S.B. Pandey Sanatan Teachers Training College, Rehala**, we believe that quality teacher education extends beyond classroom instruction. Our mission is to nurture competent, compassionate, and creative educators who are equipped to inspire young minds and contribute meaningfully to society. Guided by the vision of the National Education Policy (NEP) 2020, we emphasize experiential learning, critical thinking, digital literacy, and inclusive education.

Knowledge empowers teachers with the confidence to guide learners effectively. Values cultivate integrity, empathy, and social responsibility, ensuring that education remains a force for positive change. Innovation encourages educators to explore new teaching methodologies, integrate technology, and create engaging learning environments that meet the needs of diverse learners.

As future teachers prepare to enter the profession, they must remember that teaching is not merely a career—it is a commitment to lifelong learning and nation-building. Every classroom presents an opportunity to inspire curiosity, foster creativity, and shape responsible citizens.

Let us continue our journey with dedication, enthusiasm, and a shared vision of educational excellence. Together, we can empower the next generation through knowledge, values, and innovation, creating a brighter and more inclusive future for all.

UNESCO Calls for Innovative Financing to Strengthen Global Education

UNESCO has urged governments and international financial institutions to adopt **Debt-for-Education Swaps** as an innovative way to address the global education funding crisis. According to UNESCO, **113 countries now spend more on debt repayments than on education**, creating serious challenges in achieving Sustainable Development Goal 4 (Quality Education). The organization emphasized that redirecting debt savings towards schools, teacher training, and educational infrastructure can significantly improve access to quality education worldwide.

NCTE Issues Advisory: Only NCET-2026 Qualified Candidates Eligible for ITEP Admissions (2026–27)

The **National Council for Teacher Education (NCTE)** has issued an important advisory regarding admissions to the **Four-Year Integrated Teacher Education Programme (ITEP)** for the **2026–27 academic session**. According to the advisory, **admission to all NCTE-recognised ITEP institutions will be conducted exclusively through the National Common Entrance Test (NCET) 2026**, which is conducted by the **National Testing Agency (NTA)**. No other admission process or entrance examination will be considered valid for ITEP admissions.

The Council has directed all recognised institutions to strictly follow the admission guidelines and ensure complete transparency during the admission process. The move is expected to establish a uniform, merit-based admission system across the country and strengthen the quality of teacher education in line with the objectives of the National Education Policy (NEP) 2020.

Lifelong Learning: A Teacher's Greatest Strength

Teaching is more than a profession—it is a lifelong journey of learning, growth, and self-improvement. In today's rapidly evolving world, where knowledge and technology are constantly advancing, teachers must embrace continuous learning to remain effective mentors and role models.

A lifelong learner is open to new ideas, innovative teaching methods, and emerging educational technologies. By updating their knowledge and refining their skills, teachers create engaging classrooms that inspire curiosity, creativity, and critical thinking among students. Continuous professional development also enables educators to address the diverse learning needs of every learner with confidence and compassion.

Learning is not limited to workshops, seminars, or academic qualifications. Every classroom interaction, every student question, and every educational challenge provides an opportunity for reflection and growth. Teachers who cultivate a mindset of lifelong learning inspire their students to become curious, responsible, and independent learners.

At **S.B. Pandey Sanatan Teachers Training College, Rehala**, we believe that the strength of an institution lies in the dedication of its faculty. By fostering a culture of continuous learning, collaboration, and innovation, we prepare educators who are capable of shaping future generations with knowledge, integrity, and excellence.

Let us continue to learn, adapt, and inspire—because a teacher who never stops learning never stops making a difference.

" पेड़ों की जरूरत

धरा पर धरती जल रही है
मानव , पशु, पंक्षी वेहाल हो रहे हैं
लोग घरों में आधुनिकता अपना रहे हैं पशु , पंक्षी मजबूर होकर अपना प्राण त्याग रहे हैं
मानव की मानवता देख , सब हैरान हो रहे हैं
जंगल काट के घर और मैदान कर रहे हैं
सूरज की रोशनी प्रकाश नहीं अब
आग हो रही है
धूप , गर्मी से सब जीव बेहाल हो रहे हैं
अब समझ में नहीं आ रहा है कि
क्या धमाल हो रहा है
हां , हां कर की दुहाई सब जीव दे रहा है हे बादल कब पानी लेकर आओगे संसार के समस्त जीव
तुम्हारा इंतजार कर रहा है
मानव अभी भी नहीं सोच रहा है कि सब समस्या की जड़ मानव का व्यवहार हो रहा है
भविष्य के चक्कर में वर्तमान बर्बाद हो रहा है
पंछी भी डाल पर बैठकर देख रही है कि मानव का दुर्यवहार
मानव को कब सदबुद्धि होगी कि अपना घर बनाकर औरों का घर उजाड़ रहा है
हे मानव तू एक पेड़ लगा , मां के नाम तेरी मां भी धन्य हो जाएगी
हम सब संसार के लोग खुशहाल हो जाएंगे
बस एक पेड़ मां के नाम पर लगा
बस एक पेड़ मां के नाम पर लगा

अध्यापक (कविता)

जब पहला चरण पड़ा विद्यालय में,
तब मैं कौरा पन्ना थी।
मुझ भी शिक्षा ग्रहण करके,
एक अच्छा इंसान बनना था.!!
हां, साध दिया मुझे शिक्षकों ने,
और सिखाई हर नई बात मुझे।
अपनी लिखी कुछ पंक्तियों में,
मैं नमन करूंगी आज उन्हें!!
तेरे उपकारों का ये अध्यापक,
हम जन्मों तक न भूलेंगे।
थाद आयेंगी बहुत तुम्हारी,
जब कामयाबी का झूला झूलेंगे!!
दृढ़ संकल्प लेना सिखाते हैं,
हमें संस्कारों का महत्व सिखाते हैं।
भटकें हुए हर राही को
सफलता का मार्ग दिखाते हैं!!
नज़र सब पर एकसमान है,
ना कभी शिष्यों में भेदभाव करें।
किसी नादानी से गलती हो जाए,
तो सीस देकर माफ करते हैं!!
हम में हुए गुणों को तराशकर,
हम पर हुनर का रंग चढ़ाते हैं।
हर शिक्षक खुद में एक संस्था है,
जो देश को आगे बढ़ाते हैं॥
