Program Report

5-Day Workshop-cum-Value Added Course on Computer Programme

A 5-day Workshop-cum-Value Added Course on Computer Programme was organized successfully at SB Pandey Sanatan Teachers Training College from **04 May 2026 to 08 May 2026** under the guidance and direction of Principal Dr. Ranju Prajapati.

The objective of the programme was to develop computer awareness, digital skills, and practical knowledge among B.Ed. students. The workshop aimed to make students familiar with the use of modern technology in educational and professional fields.

The programme was conducted in two sessions each day and included both theoretical and practical training. Students were trained in basic computer operations, MS Word, MS Excel,

MS PowerPoint, internet usage, e-mail communication, digital teaching tools, online resources, typing skills, and preparation of presentations.

The sessions were conducted by Mr. Sudhir Dubey and Mr. Ajit Kumar Upadhyay. Both resource persons guided the students through demonstrations, practical activities, and interactive learning methods. Students were also given hands-on practice in the computer laboratory to improve their technical confidence and efficiency.

Students of B.Ed. Sessions **2023–25, 2024–26, and 2025–27** actively participated in the programme and benefited greatly from the workshop. Their enthusiastic participation made the programme successful and interactive.

The programme concluded successfully on **08 May 2026**. On the closing day, the Principal appreciated the efforts of the resource persons and encouraged students to continue improving their digital and professional skills. The workshop proved to be highly informative, practical, and beneficial for all participants.
